New ORLEANS, January 29 .- Vera Cruz advices of the 22d state that a French transport left with a heavy detachment of infantry for France. Others were to follow immediately. The whole French force in Mexico had arrived at Vera Cruz en route for France. Topeka, January 29.—Nothing of imrtance done in the legislature to-day Col. Wyneoop, agent for the Cheyenne Indians, is just in from Fort Learned, reports the Indians quiet on Smoky Hil and Oak rivers, and apprehends no diffi

ulty from those quarters.

MUNICH, January 28—King Maximil ian is to be married to a sister of Francis LIVERPOOL, January 29 .- The steam

ship Pennsylvania, from New York has New York, January 39.-The French at Mazatlan had executed Mr. Carmon, U. S. consul there, whereapon the U. S. gunboat lying near, bombarded the town Archibald Russell was elected permanent chairman of the executive com-mittee of the Southern Relief commis-

that no election for representatives will be held in time for the 40th congress. An Ottawa special says information has been received in Canada, from the colonial secretary that a confederation cheme under the Quebec condition has been sanctioned by the home govern-ment, and will be introduced as a government measure at the next sitting of parliament. Prince Alfred will be first overnor and royal vicercy.

A special says the house military con

mittee have agreed to transfer the Indian bureau from the interior to the war department. The judiciary committee on ways and means will close up all old business before commencing the impeachment Delegations' from two-thirds of th

Indian tribes in the west are in Washington, to agree upon treaties. TRIESTE, January 29.—The Empress Carlotta has completely recovered her

NEW ENGLAND SYMPATHY WITH GREECE From the New York World.) Wendell Phillips, having satisfactoril istrated that Truth is one of the "Lost Arts," naturally takes up, with much eagerness, the cacse of the Cretans, whom St. Paul long ago denounced on the authority of one of themselves, as "always liars." The good man's fervor in their behalf, however, does not seem He calls upon New England to hold out her hand to Greece because the Turks are such horrid wretches. This is a neg-

to originate solely in his sympathetic admiration of their genius for romance. ative sort of support, to be sure, to give to the heirs of Miltiades and Plato well as of Dionysius and Thersites But it is precisely the sort of aug port which New England always de lights to give to any people or to any cause. The elect of the Lord take no real pleasure in anything save the dam-nation of the unbaptized. It is not because Wendell Phillips loves the Greeks that he turns on the Demosila-nes stop upon the big Boston organ, but because it is impossible for him to resist he temptation of blackguarding the These abominable creatures Moslem. These abominable creatures with turbans, be exclaims, have the im-pudence to poach upon our good old Puitan manor. They actually refuse to elieve that anybody can be in the right

may go bravely on. And when all that can be collected has been collected, we devoutly trust that Mr Wendell Phillips, Gen. Butler, Gen. Banks and Charles Summer may be appointed a committee to take the New England contributions out to Candia, with instructions to re-main in the east until they shall have reconstructed not Crete alone, but all Hellas and Asia Minor, together with Mesopotamia and Syria, into the exact likene ent and fish-like common wealth of Massachusetts.

GROVER & BAKER'S CELEBRATED

representation in congress for an indefi-nite period. Stevens modified his bill, canceling the sixth section, which pro-

Why Grover & Baker's Machine is Best It is more simple, durable, and loss liable to derangement than others. Ing of thrend is necessary.

It saws with equal facility all fabrics, the most delicate and the he-visat, and with all kinds of thread, silk, cotton or linen.

It is seam is so strong and elastic that it never breaks, even on the bias.

It fastens both ends of the seam by its own operation.
Its seam, though cut at every sixth athels, remains firm, and neither ones or ravels in its mains firm, and neither turn of the west.

Its seam is more plamp and beautiful, and retains its planuphess after washing better than any other.

Its seam can be removed in altering armenty, after proper inspection without picking or calling these.

We ching and varying the tensions upon the threads, necessary in other m chines, is unnecessary in this. The tension beingence adjusted on the throver d Baker Machine, say amount of sewing may be once without change.

change.

It is akes beautiful embroidery without any change o arrangement, simply by inserting threads of suitable sizes and colors for this purpose. It is the only machine that both embroiders and sews perfectly. The testion of Tailors, Manufacturers of Clothing, Boots and Shoes Carriage Trimmers and all others requiring the test and most sefficitive Locks-video Magchines, is invited to sur new Shirt's Machines, especially scapted to Errssys, Jeans, Clark, Flankeis, Manufacturing curposes.
